Date : 16th September 2009 Venue : IMA House, Kaloor, Cochin Time : 8.00 pm

President's Column

Dear Colleagues,

H1N1 Swine Flue has become a cause of concern for all. With this fever claiming more lives by the day, it has become a necessity to spread the message about the disease and the symptoms to every adult and child in the country. As part of our social responsibility, IMA Cochin in association with IAP and Indian Express conducted a class for teachers on H1N1 disease. Teachers were provided with CD and fact sheet for conducting awareness classes in schools.

It is absolutely essential that we doctors have the correct information about the disease so that we can disseminate the same to our patients. Kindly find enclosed fact sheet for your reference.

Yours in IMA,

Dr. Abraham K. Paul
