

President's Column

Dear friends,

At the outset let me wish you a Merry Christmas and a very Happy and Prosperous New Year! In fact our IMA activities have already got off to a flying start. The New Year is going to be a significant landmark for us with better prospects of achieving near completion of our building project. Intensive fund collection campaign by way of club membership, deposit mobilization and "Magic Box" contributions have already been launched and we are overwhelmed by the excellent response from the members. By these means we will continue our efforts to collect sufficient funds for our prestigious project. And at this juncture I would request each member to take a very keen and active interest in this matter.

Best regards,
Dr. N.S.D. Raju

Dear colleagues,

Membership drive for the Club Lagoon and Building project is on. The spirit should be imbibed by every IMA member. Every member enrolling himself and one another is enough to see our project through. The proposed building is our future and destiny. Lets join our Building committee members and be a part of this passion.

We wish you a wonderful Christmas and pray that your coming year is prosperous along with the IMA.

With all best wishes,

Dr. Sunil
