President's Column

Dear friends,

Our IMA team is back from a very successful tour of USA. Thanks to the wonderful support and help from all of you a large number of members of the Association of the Kerala Medical Graduates (AKMG) have joined our prestigious Club Lagoon and a lot many are joining our project very soon. The overwhelming support and encouragement from many of our colleagues there have also been very instrumental in our successful campaign for our IMA project. It is quite heartening to note that the AKMG has pledged all its support for our ongoing project of IMA House and the Club Lagoon. I also take this opportunity to put on record our sincere gratitude to the AKMG for all their sincere and whole hearted support and help to IMA Cochin in this regard.

We have sent another IMA team to UK last week and the response from our colleagues there also has been quite encouraging. In fact we need to continue our concerted efforts so that we could ensure the completion of our project as envisaged by early 2009. I am sure that with your active participation and valuable contributions we will march ahead and successfully complete our project on time.

Yours sincerely,
Dr. N.S.D. Raju

IMA FAMILY NITE 2008

Secretary's Corner

Dear colleagues,
I owe the members an apology for the confusion created by the 'oath' published in the June edition. I was focussing on some of the current practices prevailing in our profession as viewed by a layman. Please dismiss in toto what you feel as rubbish or irrelevant.

Our Family Nite is on 17th of August. Please keep yourself free. Enjoy the IMA Family Nite with your family members.

We are hosting the state working committee meeting after a decade on August 31. This is a prestigious event for the branch and we need to make it a success. We need your wholehearted cooperation for the same.

Regards,
Dr. Sunil
