

President's Column

Dear friends,

As you know, our IMA team is on the eve of their historic trip to the United States of America. Thanks to your unstinted help and encouragement, there is an overwhelming favourable response from our colleagues in the USA for our prestigious IMA HOUSE building project. We hope we will come back with flying colours.

Our monthly meeting will be held as usual on the 25th of June 2008.

We are also holding a major full day scientific session along with an international medical summit at the Rajiv Gandhi International Stadium on the 7th of July 2008. Please make it convenient to attend the meeting.

I am also glad to inform you that the next State Working Committee meeting will be held at Cochin on 31st August 2008.

Yours sincerely,

Dr. N.S.D. Raju

Secretary's Corner

Dear colleagues,

You would be aware by now that five of us are leaving to US on a mission IMA House. We need your prayers and blessings for the same. At least ring up or mail your Doctor friends in US to help us out.

July 1st is the Doctors Day. The day to remember our commitment to the society and for the community to give a Big Thank

You for the Doctors serving them. The original Hippocrates Oath carried this "primum non nocere or first of all, do no harm!" The Oath is centuries old. Considering this fact a new Oath has been formulated by Dr. Leo Rebello in 2003. It will give you food for thought. New oath is reprinted inside for your reference.

Regards,

Dr. Sunil
