Hon'ble Mr. Justice Bannurmath inaugurates the function

From the Project Committee...

Dear friends,

IMA Cochin made a history on 10th May, 2009 by inaugurating its IMA House, the biggest ever IMA House in the country.

It was a moment of great honour and stupendous

pride to the Indian Medical Association, Cochin Branch. It was transformation of a dream into an awe inspiring edifice. It also was a transformation of 6 cents of land into one acre, transformation of 3000 sq.ft. into 1.5 lakhs sq.ft., and two floors into 16 floors of IMA space - an incredible transformation by all counts.

This dream project became a reality because of the dedication and commitment of all the members of IMA. This great edifice is the sweat and blood, heart and soul of every member of IMA cochin.

We thank each and every member of IMA Cochin for reposing faith in us as Chairman and Convener of the Project.

Let us continue to work together for the cause of IMA.

Yours,

Dr. V.P. Kuriyipe
