PRESIDENT'S COLUMN

Dear Colleagues,

I honestly feel proud to say I have done a good work during the last one and half years with the support of all of you. I was really assisted in my effort by the Secretary, Executive Committee and Project Committee during the toughest period of Cochin IMA of recent years. The dream project of IMA House has been oversubscribed for the apartments and the IMA family club membership crossed the 500 mark. Being a President during this period, wonderful help you members rendered, I honestly thank you all from the bottom of my heart. Please do continue your support for the next team of office bearers.

Regards,

Dr. V. Benny Thomas

SECRETARY'S NOTE

Dear friends,

I am extremely grateful to all the members of Cochin IMA for their support during the last one and half years of my service to the IMA. I am also extremely lucky to carry out the responsibilities of a very hectic period in the history Cochin IMA.

The ground work of the future IMA building and so much of future plans including that of IMA Family Club has been worked out. Hope and pray the future office bearers will also get same amount or more support from you people, so that our dream projects will become a reality within no time and all the functions will go on and on, for the years to come, for the betterment of members of Cochin IMA and other IMA members who co-operated and took interest in shaping the future of our organization.

Thanking you once again,

Dr. Augustine Thomas Mampilly
